

Dear Parent/Guardian,

Lake Erie Ink provides academic support and creative writing opportunities for youth, as well as supplies, healthy snacks, and special programming. Lake Erie Ink receives funding through donations and grants. Because of this parents and guardians must pay only \$110 per week. Please pay what you can toward this fee.

Lake Erie Ink believes that all children should have the opportunity to express themselves and develop their voices as writers and citizens. Therefore we offer full and partial waivers for participants under the following circumstances:

1. If your family is going through a period of financial hardship, please complete and return the letter below requesting a full or partial waiver of the quarterly registration fee.
2. If you have more than one child registered with Lake Erie Ink, the second child's registration fee will be discounted by \$15.00.

To request financial aid, please tear off and return the letter below.

Dear Lake Erie Ink:
