Our camp day runs from 1:00-5:00 pm.
Snacks provided.

Each day includes outdoor play and games in addition to creative expression activities.

At Summer Ink, kids will:

- Learn new forms of creative expression and hone their writing skills.
- Collaborate with and get to know youth from across the greater Cleveland community.
- Experience creative opportunities that don't end in evaluation, but with the chance to share and appreciate one another's work.
- Create and take home writing and art to remind them of their own powers of expression.
