

The Zombie Mom

By Michael W.

One day I was tying my shoes at home. When I looked up, my mom was a zombie.

I ran to my room and shut my door.

My zombie mom came in my room. She growled at me. I ran in my closet and closed the door.

My mom opened the door and tried to swallow me. Before she could swallow me, my dad pushed her, and she popped slime out of her mouth.

Then my dad took water and poured it on my mom. My mom turned back to normal and said, "What am I doing?"

I said, "You were just a zombie. Dad took water and poured it on you, and you turned back to normal."

The Day I Became a Mermaid

By A'nilah E.

One evening I was putting water on my legs in the bathroom when I fell on the floor, and I had a tail. I saw nasty scales on my legs and I was so scared. I was afraid I would not turn back. I turned into a red mermaid.

I asked my mother, “Can you take me to the lake?”

She said, “Yes, I will take you to the lake. Just wait a minute.” She didn’t care that I was a mermaid, but she was surprised.

My mama took me to a lake. Now I was swimming in the lake and I was happy. Suddenly I met a mermaid. Her name was Sarah. “Hi, do you want to learn a wish spell?” she asked.

I said, “Yes, I do.” Next, I did the spell. “Make the spell come real.”

Then I wished that if I’m wet I’ll be a mermaid and when I’m dry I will be human. I played with Sarah. We played mermaid hide and go seek. We went and got under the water and we would hide behind stuff.

It was so fun playing in the lake, but I was scared when I turned into a mermaid because I thought people might try to do a science experiment on me. I had been seeing people wearing white lab coats and goggles. They had a big net and a big cage.

So I changed back into a human forever because I asked the mermaid can she give me another spell. I was so relieved to be human again.

The Magic Cake

By Londyn P.

One day when I woke up I went to my backyard. I was playing. I saw a big sparkling cake and I ate it. When I ate the cake it tasted like bubblegum. My stomach started hurting and suddenly it stopped. Then I felt fine.

I realized I had powers! The power was that I could run really fast. I ran to my friend's house and it only took me five seconds. I said, "I have powers!"

My friend said, "Let's tell everyone at school."

Then I said, “I don’t want to tell everyone because we are having a race at school. They will see you fast I am.”

The next day my whole school had a race and I won! The teachers said that I am the fastest kid in the world.

The next day they had another race. The teachers said that I couldn’t race because I would win again. I felt sad. I couldn’t race because every time we raced, I was going to win. I never had a chance to run because it wasn’t fair for the other kids, but I still wanted to race.

So I went back and found the sparkling cake in my backyard. I ate it. It turned me back to normal again. After that, I won races sometimes, and I lost sometimes. I hid the cake somewhere else so that another day I might use it for something that I really need to do.

The Spooky Trip to Find My Parents

By Nia M.

One year I was sleeping when I turned into a Vampire Zombie. My eyes turned white and I saw that my clothes were ripped. I felt for my special glasses.

I was frightened. I saw that I had sharp teeth when I looked in the mirror.

I went downstairs. I looked to my right. I saw a note. It said:

If you want to find your parents follow these steps:

- 1. Go to the castle.**
- 2. Find the ghost.**
- 3. Give him your eyes and teeth.**
- 4. Get your parents back.**

So I followed the note.

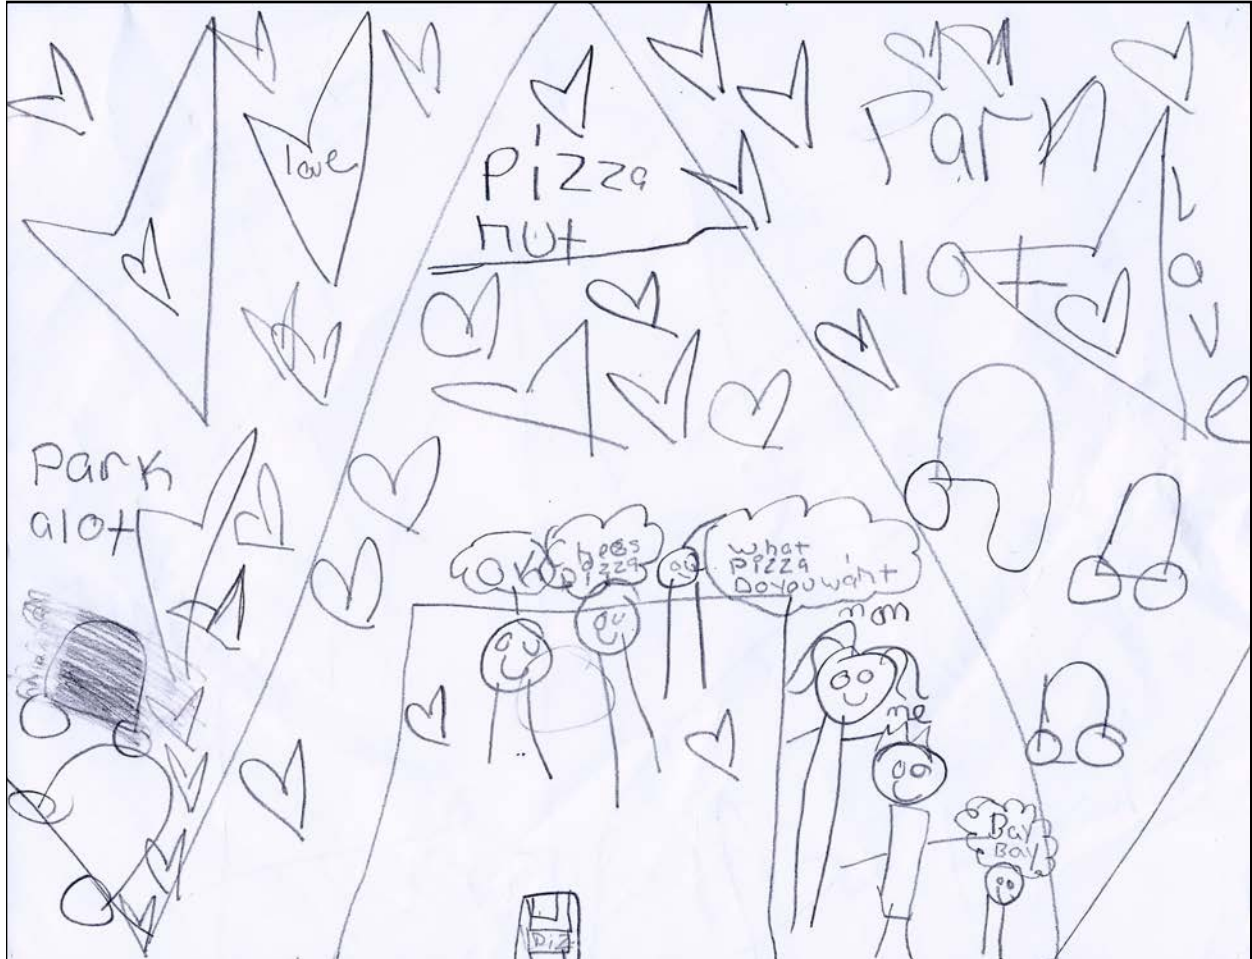

When I got to the castle, it looked like a monster.

I went in the castle, and I saw the ghost. I gave him my eyes and teeth, and he gave my parents to me.

I still stayed a Vampire Zombie. We all ran home.

The Worst Pizza Ever

By L'eVyerris D.

At night last week I was at the pizza place. We were hungry. There wasn't any food in the fridge! We always went to this pizza place.

Me and my mom and my sister walked to the pizza place, and the lady gave us the pizza.

My mama carried the box. I carried the bags of pop. We put the pizza on the table.

When we got home and opened the pizza it had snakes in the pizza. The snakes were alive. They looked like the snakes at the zoo. We shut the pizza box really fast.

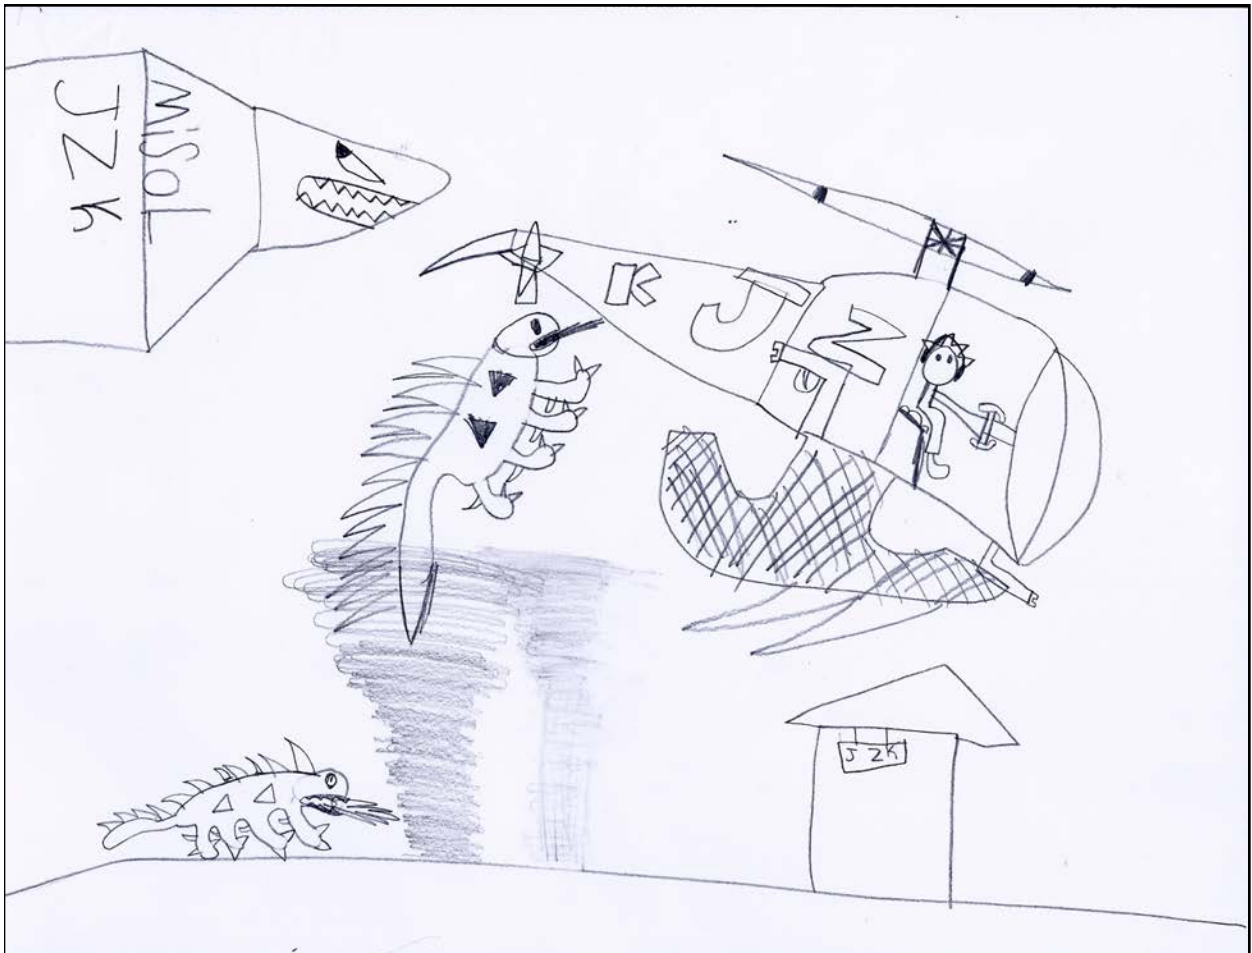

Then they gave us the worst pizza. We didn't know. I was mad because it was nasty. Then me and my mom made a face. Then we took the pizza back to the pizza place.

Then my mom asked the man, "Can we get another pizza because the other pizza was nasty?" She said, "I want my money back."

The Battle of the Chupacabra

By Kameron N.

One Thursday morning I was in the desert to capture a roadrunner. It was my job to take a roadrunner to my boss. My boss is a chupacabra. He has black and red eyes with night vision. He looks like a black and green spikey dragon with two claws on each foot. He likes to eat roadrunners.

I was actually playing my game—Minecraft. Suddenly the power went out. I couldn't play my game anymore.

Then I saw a chupacabra outside my house. I ran to my helicopter.

The next day I woke up in my home.

The Day My Dinosaur Came to Life

By Amaia D.

One day I was sleeping in my bed. I was sleeping with my sister in my bedroom. When I woke up my stuffed dinosaur was talking to himself softly.

Then my dinosaur was not there any more and I got up and I went downstairs and my dinosaur was growing into a real dinosaur outside of my house.

I was scared. I screamed, "Help!" I looked up and I saw my dinosaur and she was very big. I felt sad, and I ran to go get my friend.

My friend's name was A'nilah. When my friend saw my dinosaur she ran because she was scared. My friend said, "OMG."

The dinosaur started chasing her down the street. She got away. Then the dinosaur disappeared.

When it was gone she came outside and we went in the backyard and we were playing basketball.

I said, "Do you want to play?"

A'nilah said, "Yes."

After that, we looked for the dinosaur. We found it on someone's porch. My dinosaur had shrunk. I was happy.

Never Eat Pizza

By Anthony W.

One day in the morning I was walking into the kitchen. I saw a pizza on the table. The pizza was alive and had pokey eyes. When it looked at me, I became a monster. I was a monster size 100 feet tall and I weighed 1000 pounds. I was red and white.

I yelled and hid for my life because people might try to kill me. They thought I was going to eat them, but I wasn't.

Fire came out of my mouth when I tried to tell them “I won’t eat you!” The pizza had put a curse on me. Blue eyes fell on the city from the sky. Fire was on the city. Every person on the ground burned. I was sad. I was burning the city. I didn’t know why.

My family died and I tried to eat the pizza to save the city. It tasted so bad.

I saved kids, but the adults still killed me. They picked me up and tied me on a dragon to take me to another country so they would be safe.

The dragon flew me to a magical country. I landed and came back to life. I went back to my city. Then they killed me again. They said it was because they think I took their money because the money was on the dragon, but I did not know. I was innocent but they called the cops.

I was scared. So scared! Finally I turned back into a human because the chemicals in the curse stopped working.

The people killed me even though I told them I was not a bad monster so those people went to jail.

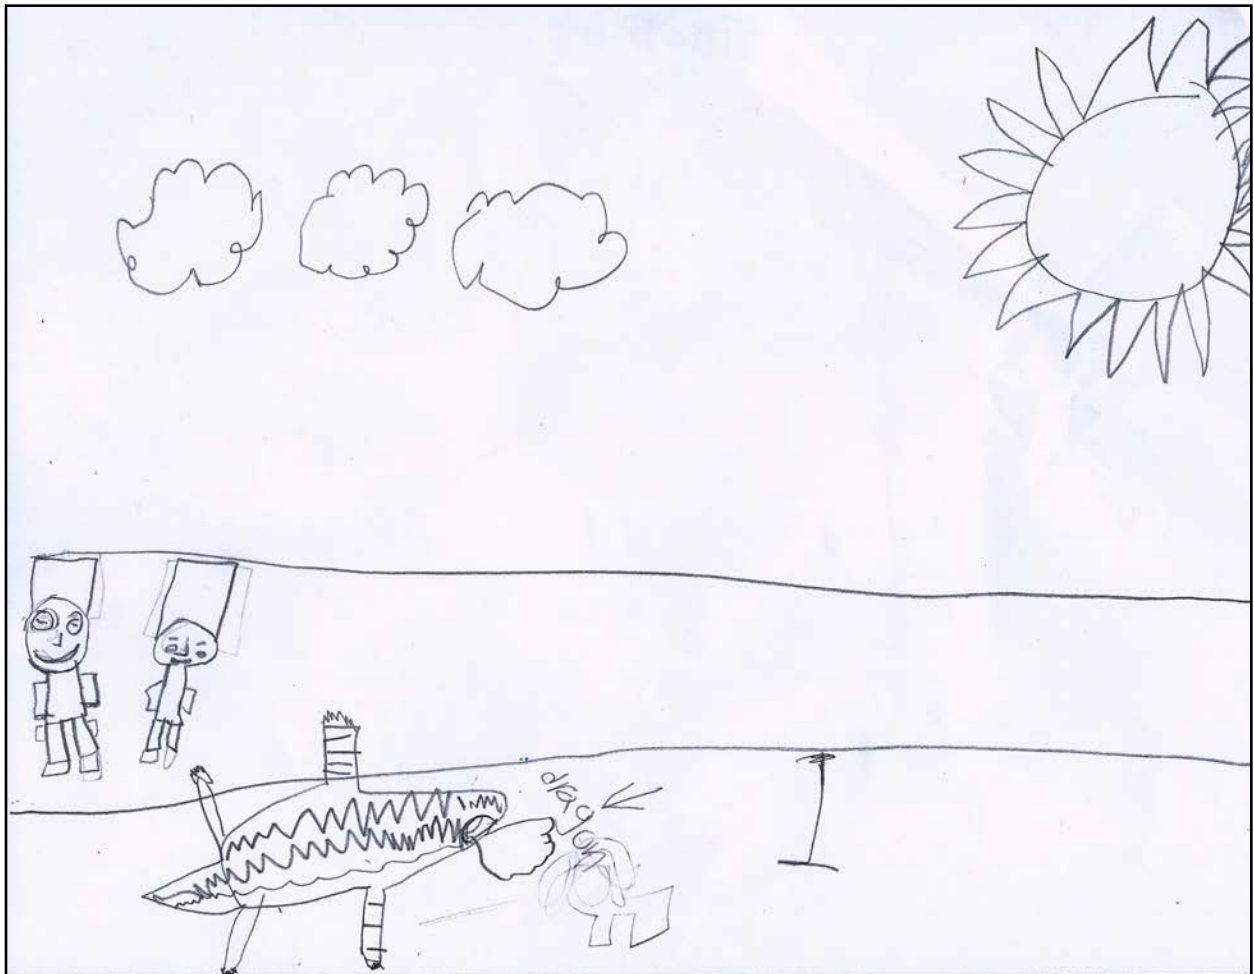

When I turned back into a human, my family came back to life, and we just had fun. Everything was back to normal.

HOWEVER, I’m not eating pizza ever again.

My Flying Adventure

By Timothy C.

One night I was outside playing with my brother. We were playing Manhunt.

Then I was flying in the air. I felt scared! Then I realized I had turned into a dragon. I had scales, wings, and sharp teeth. I was flying at the moon, and I saw angels and stars.

All of a sudden I landed on a different planet. It was a dark alien planet. I looked around and aliens were hunting me down. I started blowing fire. They had a spaceship.

Then I was flying to the clouds to try to find my brother. I found him. I fell down and my brother caught me.

I saw my family. The alien came down and transformed into a person.

The Monsternado

By Dariyon B.

One night I was playing my game in my room. I was playing Minecraft.

When I turned off my TV the house exploded. It sounded like a meteor crash.

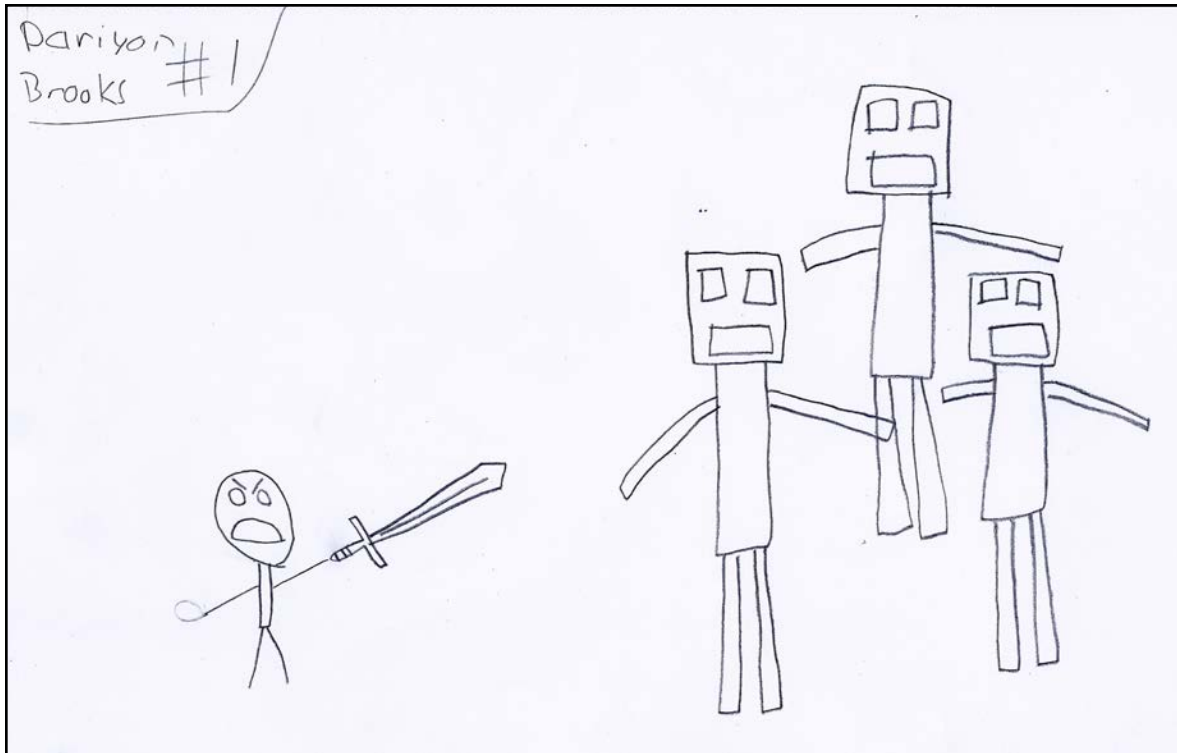

I jumped all the way down with my family. The ground and city was flooded. It was raining and hail was falling.

Soon there was a white cloud and then it turned blacker and blacker and blacker. And then it turned into a tornado. I felt scared.

My family and I got sucked up inside.

Suddenly the flood went away, and the rain and hail stopped, and the tornado shrunk. Then the rain puddles turned into monsters and they got bigger. They had flabby skin. They were purple and black. I felt excited and scared.

After that we all killed them with flaming swords, and my family and I lived at my grandma's house. I felt safe and awesome.

The Slug Who Ate Everything

By Cortez D.

One morning I was watching TV when suddenly I saw a giant spiky slug with big teeth. It was five feet long.

I screamed to tell my grandma. "I saw a giant slug!"

She didn't respond.

I looked in her room but I could not find her.

Then I grabbed the salt from the kitchen and I shook it on the slug. It bit me and I fell to the floor. It got bigger and ate the whole house along with the entire universe. Everything went black!

Suddenly I realized I was alive in the slug.

Other people were alive in the slug too, including Grandma! We had to make a plan for survival.

We all searched for salt and filled a dozen buckets. Then we poured it inside the slug, and it blew up. It was really nasty.

We were all safe! Everyone cleaned up, and we began our lives again.

Meeting the BMG

By Lamaree W.

One morning I woke up. I saw something big and black. I was so scared. I walked forward. I wanted to see what it was.

It was a big giant.

He started to chase me. I headed under my bed. He yanked me up and took me to a creepy dark cave. The cave had big bushes in it.

He yelled, "Who are you!"

I was so scared I couldn't even speak.

He asked again.

I said, "Well who are you and where am I?"

“I am the BMG and you’re in my cave!”

“Oh, I am Lamaree,” I said, shaking in fear. “What is a BMG?”

“I am a BIG MEAN GIANT,” the BMG said. “I will take you to the other giants, but they’re very very very mean so you’ll be my slave!” BMG said.

I started to run. I ran into someone’s backyard.

I was near my land, but he was faster. I was screaming for help! I tripped over a rock. He started laughing, “Ha ha ha.” He bit me on my face.

I turned into a monster with black and pink wings because of the BMG’s spit on my face.

It yelled, “What did you do!”

I ran for help. Next he caught me and put his hand over my mouth. I felt like he’d already ate me. I said, “Are you really going to eat me?”

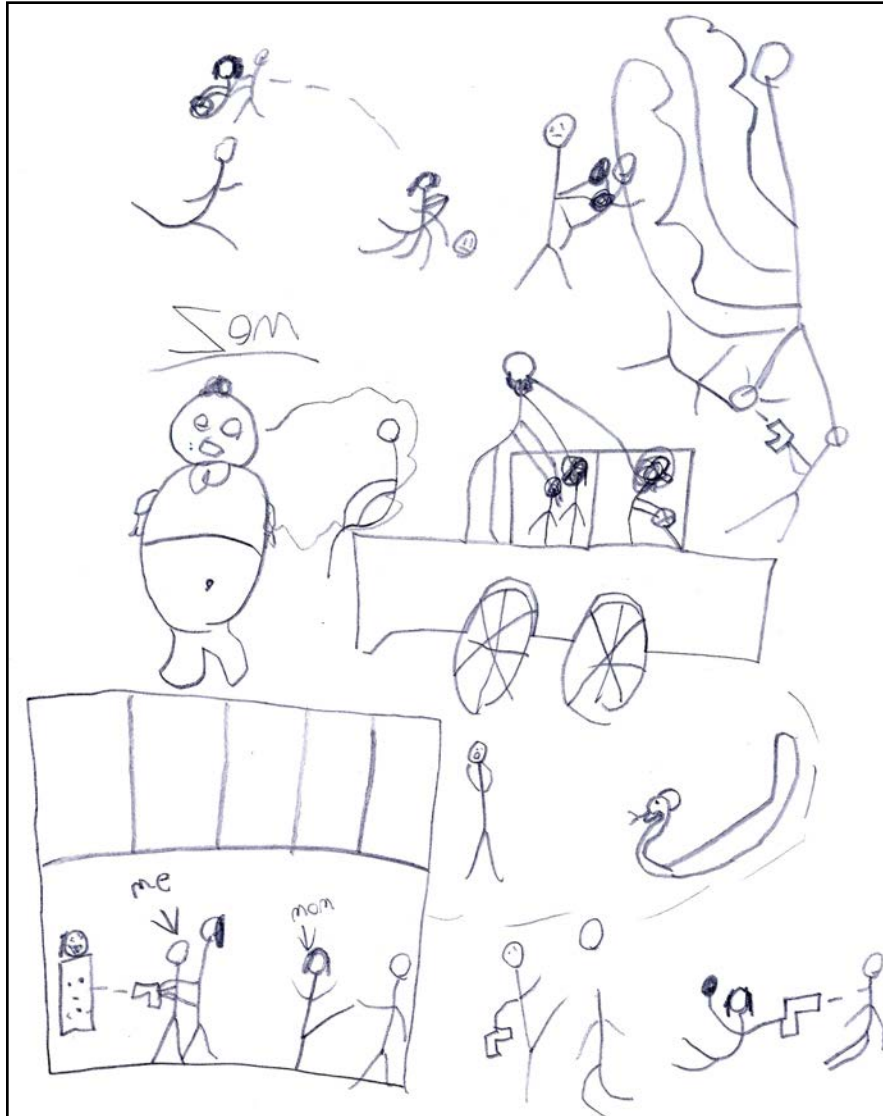

The BMG said, “No!” He said, “But I’m taking you back. Wa-ha-ha-ha-ha,” he laughed.

Then I said, “Why?”

He said, “Because I don’t like people.... And you are my slave!” So he put me under a spell so I had to be his slave forever.

“Z” Nation

By Victorious C.

One day on a Friday night I was looking out the window of my dad’s house, and my heart stopped! There were people running down the street. They weren’t ordinary people...they had yellow eyes and couldn’t control their arms.

It was a zombie apocalypse.

I panicked and ran to my mom's house next door. We ran outside. Fifteen SWAT zombies were in the front yard. We ran in the house to grab my mother's bazooka.

We had to defend ourselves! I looked outside and saw a giant zombie.

I took the bazooka and shot the zombies. Everything exploded!

Five hours later, I woke up, and me and my mother were inside of an army truck. We went to an army base. All of the army were GI Joe's. They made us GI Joe's too.

Our assignment: to destroy zombies!

The Football Man

by Ricky

One Saturday morning I was playing with my football in my house when my football turned into a football man. He was green and red.

I was shocked and wanted to play with him. I love my football man. He likes to play football.

I played with my football man. He fell in the run to make a touchdown.

My football man played a game. He's on my team.

"I like to play with you, football man," I said. "Football man, play, play with me."

My football man likes to play. He played with me. The other dudes tried to tackle him and they couldn't get him so we won.

The Bad Lion Day

By Cartavia J.

One Sunday afternoon I saw a big lion in the school. It looked scary.

I was happy
there was a lion in
the school.

“No way there’s
a lion in the school,”
I said. I thought it
was my imagination.

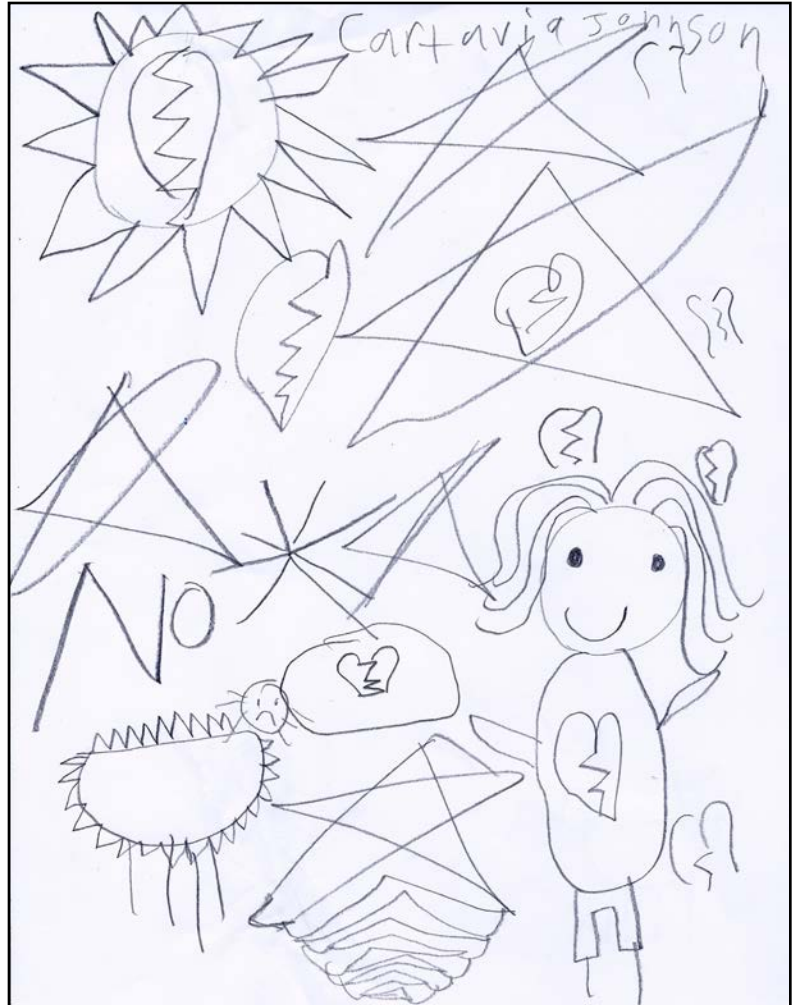

Then the lion
said, “Hi” to me.

I said, “Hi Yay,
Yay, Yay, Yay! Happy
day! Happy day!”

The lion said to
me, “I am going to
eat you.”

I
said, “NOooooo.” I ran and ran to my clubhouse at school.

She ran after me. “Come back. I want to eat you,” she
said.

I ran as fast as I can. The day was turning out to be a bad day.

I felt scared. Then it was recess. I said to myself, "Thank you. I think I can make it alive now that it's recess." At recess the lion forgot he was hungry. I played with the lion.

Then we went to lunch. The lion was hungry again. Then she started to run after me. "I think I will be safe with my class 202 and 204," I said.

"Please do not eat me," I told the lion.

"Okay okay okay okay okay okay. I love you," said the lion.

"I don't love you," I said.

"I love you ever since I lay my eyes on you. Now can I eat you?"

"Okay, eat me, but you have to catch me."

Freddy Jumping on the Bed

By Devin R.

One day in the morning I was in the bed watching TV when I got mad at my brother. I started jumping on my bed.

Then I saw my bed come to life and the devil was in my TV. I ran away to Freddy Fazbear's Pizza to get away from the devil in my house. I saw Bonny, Golden Freddy, Freddy,

Foxy, Purple Guy and Chica at the shop. I was happy.

Freddy the bear is brown and has a black hat. He is mean. Freddy put a curse on me.

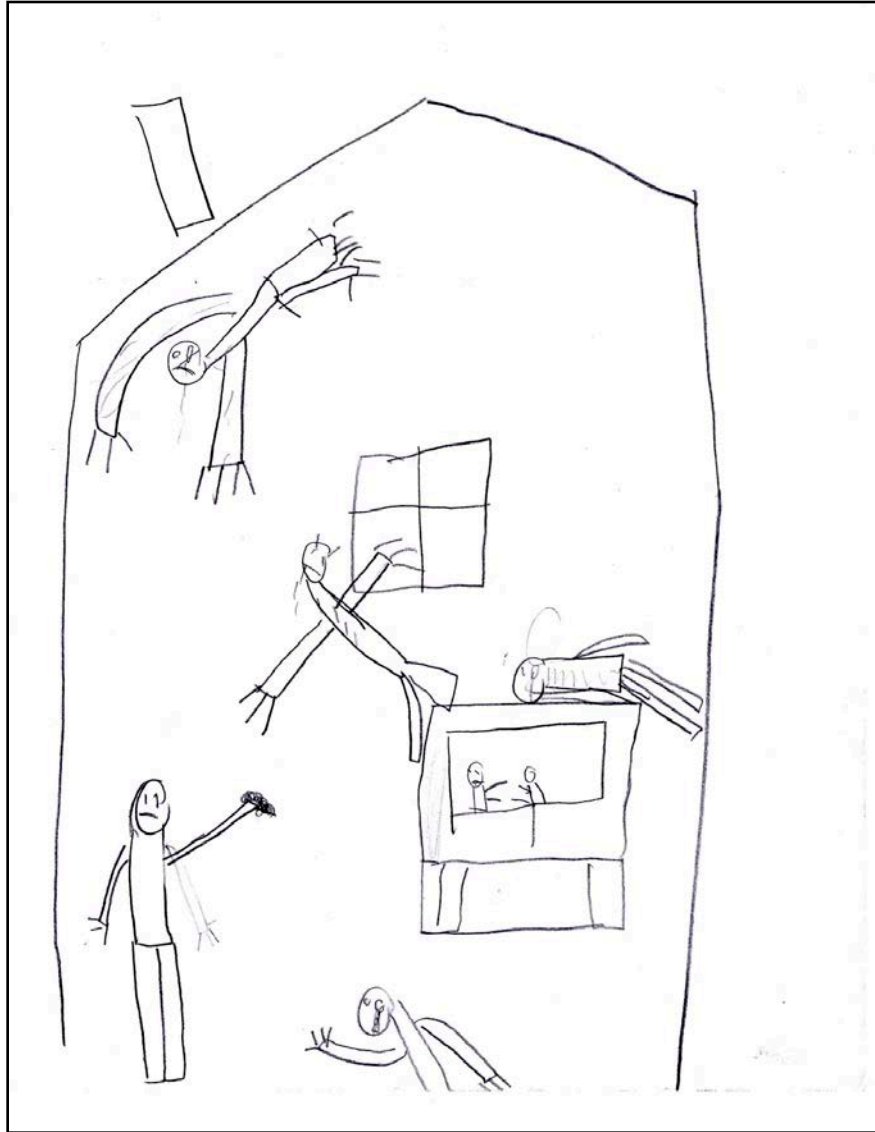

I got stuffed in a Freddy suit. I turned evil. I caught the devil and put him in the Golden Freddy suit. "We are going to kill," I said.

The kids in the town got scared.

I couldn't change back because there was a curse on me. So I captured the Golden Freddy Devil by tying him up. We both left to never be seen again to keep the town safe.

The Zombie Apocalypse

By Markel W.

One Monday, I was playing Walking Dead at my house when a zombie with blood coming down his face jumped through my window. I punched him in the face and knocked his head off so he won't eat my brains.

I ran upstairs and ten more zombies appeared so I punched their heads off too. Next, I saw a zombie crawl up

my house. As I killed zombies, more zombies crawled up the house.

The devil busted through kitchen floor and looked right at me. He made the dead from all graveyards come out as zombies. They all jumped through the windows of my house. It made my house so heavy that it started to crash through the ground to where the Devil lived.

I jumped to safety just before the ground swallowed up his house.

The Good Monster Who Destroyed the Alien

By Ronnie H.

One day, I was getting dressed to go to my friend's house. All of the sudden, I saw a black and green alien with a giant head. I said, "What are you doing?"

"I am here to take over the world!" he said as he licked his lips.

I said, "Don't eat me!" He jumped on me, bit me and I turned into an orange, white and black monster. Then, he made me drink a potion that put a curse on me so I would have to stay a monster forever.

I left my house and he followed me. The alien began destroying the rest of the town.

I came him after him. (What he didn't know was that when I became a monster I was stronger than him.) I punched the alien back to outer space.

The Day I Met a Caveman

By Antwaun J.

One night I woke up from out of my bed by hearing a big boom. I decided to take a shower and brush my teeth. When I was done, I ate breakfast and then went outside.

When I went outside, I saw a caveman with an animal skirt who smelled like urine and road kill. I ran back inside the house. I came to the window. Then, a bone crashed through the window. So I ducked.

I ran outside to see what it was and nothing was there. I ran back inside and went to my room. I closed my eyes to take a nap in my room. When I woke up and looked out the window, I saw nothing. I thought maybe it was dream.

I got hungry and went to Freddy Fazbear's Pizza to get something to eat. When I went inside, everyone was screaming and running out because they saw something bad. The caveman appeared from the kitchen eating the pizza and the box.

When he saw me he started chasing me around carrying a club. I ran away back to my house and hid in the back. He followed my footsteps to find me. I tried to talk to him and I said, "Let me show you how to live in this world like humans do now."

He grunts and nodded yes.

I said, "First, you NEED to take a shower, because you don't want to walk around the town smelling bad. Second, here are some of my daddy's shorts and a shirt. Then, you

need to learn how to communicate and make eye contact. You can't chase after people with your club. Maybe a good job for you would be a police officer once you learn to live like normal."

After that, the caveman moved in with me and was able to live a normal life.
